

### Dimensions

Note: The product images shown may change over time as products are updated.

### Part Number

**HML18-W-1200-24VDC-P12**

### Features

- Compact and Cost Effective
- Aluminum Alloy Body
- Very Bright, Long Life
- Easy to Install

### Technical Data

Body Style	Rectangular
Light Source	LED
Colour	White (6000K)
Operating Voltage	24 V DC
Current Consumption	1.8 A
Illuminated Length	1195 mm
Input Type	-
Connection	M12 A Coded
Connection Type	0.3 m Pigtail
Operating Temperature	-40 C to +50 C
IP Rating	IP 67
Housing Material	Body 6061 Aluminum, End Cap ABS
Lens Material	Polycarbonate
Dimensions (mm)	1275 x 33 x 23.7

### Connection
